

**MEPSC & IICSR**  
PRESENTS

# International Net Zero Summit **2026**

The principle of common but differentiated responsibilities is the bedrock of our enterprise for a sustainable world.”

Shri Narendra Modi  
Hon'ble Prime Minister of India

**International Net Zero Summit 2026** is envisioned as a premier platform dedicated to celebrating and advancing excellence in Net Zero initiatives, CSR, ESG, and Sustainability.

The summit will spotlight corporates, institutions, startups, NGOs, and individuals who are pioneering responsible, innovative, and measurable pathways toward a sustainable future. Beyond recognition, the summit will serve as a global convergence of changemakers—bringing together policy, innovation, and leadership to accelerate the transition towards a Net Zero world

# What awaits you at International Net Zero Summit 2026?

## AWARDS

Sustainability is imperative—and businesses leading the way deserve recognition to inspire the rest.

## WORKSHOPS

Actionable change begins with awareness towards real world impact. Masterclasses from the best of India.

## CONVERGENCE

Sustainability thrives on collaboration. Bringing forward a stage to educate and pioneer the right ideas.

## Gala Night

Celebrate purpose with passion, where meaningful connections meet culture, community and good cheer.

## Experiences

Reconnect with nature to rediscover purpose—where immersive experiences foster sustainable thinking, and transformative dialogue

## Unconferences

A front row seat to the minds driving sustainable innovation—where bold ideas and strategies set the agenda for tomorrow

**International Net Zero Summit 2026 will be more than another business event – it will be a convergence of right people redefining business and pioneering towards a sustainable future, discussing the systemic barriers, pressures and resistance to the change.**

**This convergence would be a step towards answering why #NetZero and #Sustainability are not just buzzwords, but necessary strategy for survival.**

### **2-Day Immersive Sustainability Experience**

A convergence of India's top ESG and sustainability leaders—featuring thought-provoking panels, hands-on workshops, cultural celebrations, and nature-based learning experiences.

### **Curated Workshops**

Deep dives into Net Zero megatrends, AI & green tech, carbon accounting, sustainable finance, and leadership stories—all delivered in engaging, experiential formats.

### **100+ Visionaries**

From corporate pioneers to social innovators—connect with leaders driving sustainability through strategy, innovation, and impact.

### **1000+ Minutes of Purposeful Networking**

Engage in meaningful dialogue, peer learning, and idea exchange in settings that range from roundtables to networking and gala dinners.
