

Call for Research Papers

International Net Zero Summit 2025 | 22–24 January | Taj Vivanta, Goa, India

Empowering Knowledge for a Sustainable Future

About the Summit

The International Net Zero Summit 2025 brings together global leaders, innovators, and researchers to accelerate climate solutions through technology, finance, and collaboration. Hosted by IICSR Group in partnership with MEPSC (Ministry of Skill Development & Entrepreneurship) and the Goa Chamber of Commerce & Industry (GCCCI), the Summit shapes global discourse on achieving Net Zero and sustainable transformation. The three-day program features awards, workshops, networking sessions, and academic presentations that advance measurable sustainability outcomes.

Call for Research Papers

Researchers, academics, and practitioners are invited to submit original papers showcasing innovative work in sustainability, climate technologies, and decarbonization pathways. Selected authors will present their work during the International Net Zero Summit 2025 and be featured in the Net Zero 2026 Compendium – Research Edition.

Slots Available: 15 Paper Presentations

Submission Deadline: 15 December 2025

Submit to: info@iicsr.com

Themes for Submission

- Technology for Good: AI, IoT, and Blockchain for Sustainability
- Decarbonization Techniques in Industry and Energy Systems
- Global Carbon Markets and Trading Mechanisms
- Sustainable Finance and ESG Investments
- Circular Economy and Waste-to-Value Innovations
- Green Infrastructure and Smart Cities
- Policy Design and Climate Governance
- Climate Education and Capacity Building
- Nature-Based Solutions and Biodiversity Preservation
- Corporate Transition to Net Zero – Strategies and Challenges
- Sustainable consumer Behaviour
- Sustainability Reporting and Frameworks

Submission Guidelines

- Papers should be between 2,500–4,000 words (excluding references).
- Submissions must include Title, Abstract (150 words), Keywords, Methodology, Findings, and References (APA style).
- Figures, charts, and visuals supporting data-driven insights are encouraged.
- Accepted formats: .docx or .pdf.
- Email your paper to info@iicsr.com with the subject line: “Research Paper – INZS 2025 Submission.”

Selection Criteria

- Originality and contribution to Net Zero discourse
- Innovation and practical applicability
- Data integrity and clarity of argument
- Alignment with summit themes
- Research depth and policy relevance

Publication and Recognition

- Selected papers will be published in the “Net Zero 2026 Compendium – Research Edition.”
- Authors will receive certificates of recognition and present in dedicated Research Panels.
- Top 3 papers will be featured in the IICSR Journal of Sustainability & Responsibility.

Important Dates

- Paper Submission Deadline: 15 December 2025
- Notification of Acceptance: 30 December 2025
- Presentation at Summit: 22 January 2025
- Release in Compendium: 22 January 2025
