

Net Zero 2026 Compendium

Case Studies in Corporate Decarbonization and Sustainable Impact

The *Net Zero 2026 Compendium* showcases leading corporate pathways toward carbon neutrality. Developed by **IICSR Group**, it features real-world case studies across sectors—energy, manufacturing, finance, and technology—highlighting innovation, sustainable finance, and measurable climate impact.

International Net Zero Summit 2025

The **International Net Zero Summit 2025** will be held from **22nd–24th January 2025** at **Taj Vivanta, Goa, India**. Organized by **IICSR Group** in collaboration with **MEPSC** (Ministry of Skill Development & Entrepreneurship) and the **Goa Chamber of Commerce & Industry (GCCCI)**, the Summit brings together global leaders, policymakers, and sustainability experts to advance discussions on Net Zero, circular economy, and climate innovation. It will feature awards in 16 categories, networking sessions, and specialized workshops on Net Zero strategy and sustainable business transformation. **The Compendium will be officially released during the summit.**
